

Hannah Wilson

Team Member, Olive ROC Centre

I have worked for 8 years in the hospitality industry, gaining a wide variety of skills, especially “front of house”. I have also worked hard as a student, recently graduating from Manchester Metropolitan University with a first class Bachelor of Arts honours degree in Social Work! I am currently studying for my Masters in Sociological Research at the University of Manchester.

I am a committed Christian and meet at Poynton Christian Fellowship (PCF), where I teach young people (Years 7 -9) at *Sparx* Sunday group. I am also part of PCF Connect service, as a “befriender”. I currently befriend a teenager and offer support on a one-to-one basis. I also volunteer in road safety initiatives.

I am happily busy in my life but when I do have spare time, I love to crochet and have been known to lose a day with cross-stitch...

Working at Olive ROC Centre is, quite simply, “an answer to prayer!” The opportunity came at just the right moment for me not only find an exciting and fulfilling job but also gave me the opportunity to pursue my goals....and I really enjoy making cheesecakes, soups and lots of other delicious home-made goodies...

This is, most definitely, “more than...a job.”
